Muchas gracias Denis, el pantallazo está bien para evidenciar el recobro.

Saludos cordiales.

Buenas tardes,

Keyla, aclaro sus dudas.

El reporte que aparece en el adjunto es de un viaje que salió 20/02/16 y cerro el viaje el 24/02. La sustracción que detallo en el cuadro no va en reporte(Excel) ya que por parte de interchange no me dieron la EIR por que el motorista no quiso subir el chasis a la plancha, según "eso de medir o boletear no le importaba", lo que no adjunte fue el pantallazo de la sustracción.
